David Wyatt, MD, FAAFP

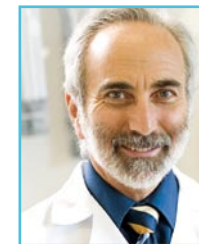

Medical Director

David Wyatt, MD, FAAFP is the director of Occupational Medicine for the Sansum Clinic. A board certified Family Physician, Dr. Wyatt has his practice at the Clinic's Occupational Medicine Center on Patterson Avenue. He has fifteen years of experience in occupational medicine. Dr. Wyatt received his medical degree from the

University of Oklahoma Health Sciences Center and completed his internship and residency at the University of Cincinnati Medical School. He was an associate professor of medicine at the University of Washington and most recently was Medical Director of the Healthsouth/Wyatt Medical Center in Ventura County. Dr. Wyatt is involved in seminars and lectures on Wellness and Health Maintenance, and has written two medical books for the layman.

Mark Musicant, MD

Mark Musicant, MD, received a B.A. degree from the University of California, Berkeley, and his medical degree from the University of California Irvine Medical School, Irvine, California. His Internship was completed in rotation at Santa Barbara General Hospital and Santa Barbara Cottage Hospital. Dr. Musicant has completed additional training in Occupational Medicine from

U.C.S.F. and Robert Wood Johnson Medical School. Dr. Musicant is Board Certified by the American Board of Preventative Medicine as a specialist in Occupational Medicine.

Steven E. Dosch, MD

Steven E. Dosch, MD, a board certified Family Physician, has over 14 years of practice exclusively in the Occupational Medicine field. Prior to coming to Sansum Clinic, he worked at the Industrial Medical Group of Santa Maria Valley, becoming familiar with treatment of agricultural injuries and pesticide monitoring and exposures. He also has experience working as

a staff physician for the Hollywood Studios while with the Burbank Emergency Medical Group and with heavy industry through California Primary Physicians in downtown Los Angeles. Dr. Dosch is fluent in Spanish which has helped make him an important asset to the community.
