Sansum Clinic Friends

Sansum Clinic Friends is a group of individuals that contributes to the good health of our community through their regular support of Sansum Clinic.

Sansum Clinic has been committed to providing the highest quality health care to our community for over 87 years. We believe that providing excellence means bringing together the best physicians, the latest technologies, and the most comprehensive health care to meet the specialized needs of our community. Our active involvement within our community is vital to providing that excellence.

We care for over 150,000 patients annually with over 150 board-certified doctors in more than thirty specialties from Primary Care to Cardiology, Pulmonary Care, Endocrinology, and Surgery.

Each year, Sansum Clinic provides free or highly subsidized care to more than 35,000 individuals through our nonprofit Community Benefit and Charity Care programs. These programs offer free health seminars and health education classes. They also support employer health fairs and community events throughout Santa Barbara County and provide free medication consultations, free sports exams to youth, and annual flu shots to more than 15,000 members of our community.

Sansum Clinic partners with Santa Barbara Neighborhood Clinics to provide free diagnostic radiology and cardiology services to those in need. Through a collaborative effort, made possible by a particular Sansum Clinic Friend, we were able to provide free colonoscopies to hundreds of individuals who would otherwise be unable to receive this preventive screening.

Our Mission

Our Mission is a promise to everyone in our community – to provide excellence in comprehensive health care through teamwork, community collaboration, research and education.

Values

- Integrity, Trust and Accountability
- Compassionate Care
- Committed to Superior Service
- Teamwork and Respect
- Individual Worth and Diversity

As an independent, nonprofit healthcare organization, we depend on your philanthropic support to fulfill our mission.

Thank you for working with Sansum Clinic in bringing good health to our community.

Thank You

We are grateful for your support. To express our gratitude we recognize Sansum Clinic Friends with personalized assistance.

It is our way of saying Thank You.

Sansum Clinic Friends is a program of the Sansum Clinic Philanthropy Department. Contact us to support Sansum Clinic, join Sansum Clinic Friends, or to meet your personal Sansum Clinic Friends Coordinator.

Here For You

As a Sansum Clinic Friend, you will receive personalized assistance.

- One phone number dedicated to meeting your needs and answering your questions.
- A caring and familiar person dedicated to assisting you.
- Personal invitations to special events.

Your Sansum Clinic Friends Coordinator will:

- Schedule and coordinate appointments.
- Provide you with a personalized itinerary of your care.
- Facilitate requests for medical records.
- Ensure that your billing, insurance, and other questions are addressed satisfactorily.
- Assist in other ways as needed with special attention and care.
